

General Conference 2006 is a milestone for the Foreign Missions Division. We are forever grateful for the backing of our fellowship as we take this life-transforming gospel to the whole world. In return, we promise to be careful in everything we do for the cause of the kingdom of God.

Our promotions team leader, Bryan Abernathy, along with the entire Foreign Missions Division planned, fasted and prayed; doing everything humanly possible to prepare for a successful Saturday evening service. All that remained was for thousands of revival-hungry pastors and saints to fill the auditorium and for us to be genuinely stirred by the Spirit. As missionary families were presented, and potential crusades highlighted God's presence became greatly evident. His anointing fell as Brother Steve Willoughby, missionary to Singapore, ministered the Word!

The results were outstanding; *nothing short of a miracle*. We intended presenting twelve missionary families to be sent to their respective fields from the General Conference. With that quickly accomplished, two additional families were presented and budgets completed. Faithful saints, churches and pastors pledged over \$36,080.00 a month in Partners in Missions. That calculates to \$432,960.00 a year and potentially adds up to \$4,329,600.00 over a ten-year period. In the first part of the service \$525,000.00 was pledged, and \$79,000.00 was given in the offering. At the end of the service, when challenged by Brother

Willoughby, people responded sacrificially by pledging over \$1,840,000.00 and placing checks and cash totaling over \$160,000.00 on the altar. Men and women flooded the altar giving their lives for the preaching of the gospel. This all adds up to A MIRACLE; not merely for the Foreign Missions Division, but for those that gave and continue to give. Not only will many souls be added to the kingdom because of this sacrificial giving but God is not a debtor and will provide for those that have given by faith.
