

The Foreign Missions' *miracle story* continues. Again, this year God manifested His presence in our General Conference service. As missionaries marched in with flags flying the crowd erupted in sustained, thunderous applause. The service was electrifying. Our theme was simple: *More*. The congregation reacted by giving *more* by sending **sixteen** missionary families back to the field from the conference. This has never happened before. It is a miracle! Over \$35,000 per month Partners in Missions support was raised. This translates into over a half million dollars saved in deputation expenses. In looking at the extended service of a missionary family the PIM support accumulates to over four million dollars. To God be the glory!

The crowning moment of the service was the preaching of the Word and accompanying ministry. Reverend Jerry Dean, from Bossier City, Louisiana skillfully brought us under the *Crushing Weight of Eternity*. The altars filled with *more* men and women possessing *more* passion. Lives were dedicated to accomplishing *more* of the mission. Eternity will reveal the exceptional impact of those who chose to do *more* than ever before.

Thanks for the way you responded to our *heroes* of the UPCI. Our hats are off to our great fellowship, and our hands are held high in thanksgiving to our all sufficient God.
